Event Desciptions:

Find Us On Web is here to help support local business at this difficult time. We are therefore holding a series of online virtual networking meetings until things return to normal.

The format will be:

Welcome from host and launch of Manx Accountancy Awards
5 min presentation from key speaker
We will use software to setup a series of meetings

You don't need to download any software, but please use Chrome as the browser if possible.

The link to register for the meeting will be emailed to you prior to the event.

ABOUT FIND US ON WEB

Find Us On Web is a unique corporate and business services provider offering a one-stop solution for all key business growth needs for local businesses.

At Find Us On Web, we have discovered a simple and better way to move more savings, more customers, more sales offering exceptional business growth, and improved cash flow for our business customers. And anyone can achieve it with less stress.

Our dedicated local business manager works with local businesses at every stage of their success journey ensuring that at the end of our customer's goalposts, our customers feel more than successful, they feel prosperous. Our proven strategies offer local businesses and their business development team to enjoy complete peace of mind, financial independence, security, good health, and enjoyable social life. Our key principle is to offer a business environment locally where people wanted to do business with us (and our business managers) and even more people consider us as a friend while working with our team. We offer many tools to local business such as online digital market place, free and premium advertising, marketing and promotional media, optimised lead generation tools, business speed networking events, trade shows, award nights, PR & business growth services, and last but not the least growth management strategies and business planning sessions. Our local business managers are helping the aspiring local business, who are looking for improved cash flow, more savings, more customers, more sales, to connect and network!

Our vision is to be an expert business services provider in the local business community and hold the best business advisory service position offering a one-stop solution for all your business growth needs.

Our mission is to constantly earn prestigious respect and admiration from all the customers whom we work with.

Find Us On Web has been created by industry experts who have assisted buyers and sellers of businesses for over 20 years. This business model is centered around aspiring business owners who are local and looking for a tremendous increase in their sales and grow their business in a sustainable manager for the short, mid, and long term.

We at Find Us On Web, are making a huge impact on local business around us by bringing them guaranteed more savings, guaranteed more customers, guaranteed more sales, and guaranteed more growth with the help of our most effective tools such as the “Connect and Network” program, the “Monthly Speed Networking”, the “Business Buzz” program, the “Local Trade Show” and The “Award Nights”. The local business managers are also always available just on the other end of the phone to help them fulfill their needs and achieve their goals

We help businesses to

* Drive more sales

* Increase their market share

* Maximise revenue

* Decrease running costs

* Increase savings
