Venue:

Victoria Street, Douglas

Event Descriptions:

Give your Business a boost with our speed networking gift this Chritmas, Join this event form Free and experince the power of speed networking.

Unlike traditional Networking event which can cause a bit of anxiety even for the most extroverted business professional, we have designed this event to accelerate business contacts and involves participants gathering together to exchange information via an speedy interaction. participants share their professional backgrounds and business goals.

We know that entering a room full of people, most of whom you've never met before, and engaging in small talk can be daunting especially if you're feeling stressed and not particularly social on the day, but how will you expand your network if you don't talk to anyone else? Worse, if you've conjured up the courage to engage with someone new, you could find yourself suffering through the life story of the wrong business connection because you're too polite to end the conversation.

We have organised this event for you to reap the benefits and avoid the pitfalls, This event is an invaluable and an effective way to expand your connections, uncover new business opportunities, get introduced to all the potential partners and new clients and tap into trusted resources or service providers that can help you or your business.

This networking event is hosted by the local charities and is designed to accelerate business contacts through facilitated introductions and conversations – at speed with a common structure to rotate all participants in quick succession so that each person gets the chance to engage one on one with as many people as possible.

If you want a genuinely exciting and extremely beneficial networking experience outside of your usual networking meetings, then get along to a speed networking event. You'll find yourself loving it as much as we do! Come along &

-Bring lots of business cards and a pen

-Present your business succinctly getting straight to the point due to the time limit per rotation

- Make sure you know what to ask the other person. Your message, as well as the questions

you ask

- Clearly communicate your interest to connect after the event
