Accountancy Awards is aimed at honouring top class performance and innovation across the accountancy industry in the region. Our aim is to put the spotlight on the companies that are embracing innovation and positively transforming the world of accountancy. We are bringing together like-minded, forward-thinking individuals and firms who are striving to be the best at everything they do while celebrating the greatest contributions to the profession and inspiring it to even greater heights.

The awards dinner attracts over 200 guests, made up of finalists, judges, sponsors, accountants, finance workers and business people. The prestigious ceremony not only offers numerous networking opportunities throughout but will provide an outstanding occasion to recognise and reward the many achievements that continues to be made in our industry. Guests also enjoy a three course meal and entertainment. This award night presents an excellent opportunity to promote brand awareness and enable expanding thought leadership. It further recognises the work undertaken by local business people. Those working in this profession enter the Accountancy Awards to show their peers and their employees how hard everyone has worked within the year to deliver success. Being an award winning business carries weight when it comes to networking and attracting new clients. Being shortlisted can help with company credibility. Winning an award then acts as a seal of approval from your peers and will give potential clients peace of mind.

Accountancy Award gives us the perfect opportunity to celebrate and reflect on the extraordinary breadth and depth of the sector. Our aim with Accountancy Awards is to be widely recognised as the Oscars of the accountancy sector in the Isle of Man and attract hundreds of nominations and award entries that exemplify the talent, dedication and innovation of individuals and teams across all aspects of accountancy life, showing us countless reasons why our institutions continue to prosper.

THE AWARD NIGHT

The Accountancy Awards is a black tie gala evening where the cream of Accountancy profession will be recognised and celebrated in front of hundreds of senior executives. The

programme serves as a unique platform to attract top talent to your organisation. Key people in your profession want to work with leading organisations. Entering the awards programme allows you to benchmark your work, and lets people know who the leaders are. It also allows both individuals and teams to be recognised within their company for their work. Shortlisted entrants will have their national profiles raised just by making the final, and winners will receive coverage in the national press. And of course, there's the beautiful trophy which the successful entrants will take away on the night.

There is no charge to enter the Manx Accountancy Awards, so get your thinking cap on and start putting your entries together!

The trophies will be presented to the very best leaders and organisations within the profession. The evening will begin with a drinks reception followed by a three course meal. Once dinner has concluded, we move onto the main event and announce the winners in the Awards Ceremony. When all winners have been crowned, we finish off the night with entertainment and networking.

We wish all our entrants the best of luck, and we look forward to receiving your nominations!
